## ASH CARTER

### BIO

Ash Carter is an experienced and passionate Motion Graphic Designer and Animator with over 7 years under his belt. His confidence in the production process from concept through to completion gives him the ability to hit the ground running with any project.

Specialising in 2D Animation and Design with an innate eye for detail and timing, making him a sought after animator. Applying his talents mainly to explainer videos and premium corporate videos he is able to execute jobs with simplicity and class. Being an artist at heart also ensures his pride for upholding a very high standard which is backed by singing references.

If you require a complete professional who will not only bring your idea to life but has the passion and excitement to make your project look good, Ash is your guy.

### EMPLOYMENT

#### **Self Employed**

#### **Sydney, Australia**

#### **2D Animation/Motion Graphics/Design**

I have been self employed for a few years taking contracts wherever needed. I specialise in 2D animation and motion graphics design. I am passionate about working with talented individuals and always striving to better my understanding and execution of Animation.

Animation Reel <https://vimeo.com/121964574>

#### **Studio 10 2013-2015**

#### **Vancouver BC, Canada**

#### **2D Animator/Motion Designer**

I furthered my experience in 2D animation whilst living away in Canada. It was a great opportunity to work inside a fun boutique studio where we completed jobs like SIM <https://vimeo.com/99382474>

#### **BWM 2012**

#### **Sydney, Australia**

#### **Animator/Video Editor**

Working in a large agency gave me a different perspective on processes and collaboration which was invaluable experience in my journey.

**Cornerstone Media** 2009-2011

**Sydney, Australia**

***Motion graphics/Video Editor/Videographer***

I started here as a junior and displayed great leadership qualities within my work ethic where I was promoted as head of production. I completed storyboarding - filming - post production.

## **REFERENCES**

***If you're after a kick-ass animator then Ash is your guy. His design taste and style sets him apart from the pack. Do yourself a favor and hire Ash for your next project, you won't regret it.***

***As Sales Manager of Leap Migration Manager, I cannot recommend Ash Carter highly enough. Ash was very quick to analyse and understand our product and the markets we target. Through close communication, he took us through the process of creating an absolutely fantastic marketing tool that has had a direct effect on our sales performance as a company. We are certainly keen to work with Ash in the future and wouldn't hesitate to provide a professional reference upon direct enquiry.***
