

BEN MCBURNIE

PROFESSIONAL PROFILE

Commercial, Agency & Branded Content Specialist:

Over 15 years of experience delivering high-end commercial advertising, agency promos, branded content, digital campaigns, hype reels and case studies for leading agencies, global brands and production companies. Expert at crafting polished, fast-turnaround, agency-ready content that drives client objectives.

Broadcast Television & Unscripted Entertainment:

Extensive track record across unscripted television, entertainment formats, reality, casting, live events, and longform documentary for major Australian and international broadcasters.

AI-Driven Content Innovation:

At the cutting edge of AI-powered video generation and automation. Expert at integrating AI tools into editorial workflows, building custom AI pipelines, and combining advanced generative media techniques with traditional editing craft to create highly innovative, visually compelling new formats.
