BRETT STAYT

SOUND RECORDIST – UAV (DRONE) OPERATOR – REOC HOLDER SOLIDSTAYT.COM

Skills Summary

Brett is a freelance sound recordist and drone operator available for work across Australia and Internationally.

He has been working in the Film & TV industry professionally for over 10 years, armed with some of the latest equipment from Sound Devices, Zaxcom, Lectrosonics and DJI. He has a modern approach to film making, while maintaining some old-school techniques, working with a massive variety of crew, on various projects.

Brett is available to work as a sound recordist, drone operator, or covering both roles on certain projects. As a drone op, Brett can operate solo, with one of his regular gimbal operators, or with the DOP on production as the gimbal op. SolidStayt/Brett is armed with several drones to suit different jobs and budgets, with the high end being an Inspire 2, with an X7 camera shooting up to 6K raw video. Brett is certified for Australian and UK Commercial Drone Work.

Pro-active, yet easy going, Brett is a professional crew member who will work hard to get the best result possible. Clientele include BBC NUHU, National Geographic, Electric Pictures, Fremantle Media, Artemis, Discovery Channel, Leopard Films, CH 7,9,10, SBS + many more.
