

**BRETT STAYT****SOUND RECORDIST – UAV (DRONE) OPERATOR – REOC HOLDER****Skills Summary**

Brett is a freelance sound recordist and drone operator available for work across Australia and Internationally.

He has been working in the Film & TV industry professionally as a sound recordist since 2009, armed with some of the latest equipment from Sound Devices, Zaxcom and Lectrosonics. With a passion for audio, he has a modern approach to film making, while maintaining some old-school techniques, having worked with a massive variety of crew on countless projects.

Brett is available to work as a sound recordist, drone operator, or covering both roles on certain projects. Brett has operated drones commercially since 2015 and is vastly experienced in solo, dual op and FPV drone operating. He is a ReOC holder with EVLOS and OONP instruments, meaning he can legally operate FPV drones as well as conduct close proximity missions/flights.

Pro-active, yet easy going, Brett is a professional crew member who will work hard to get the best result possible.
