## IAN MACAUSLANE

I am a freelance Cinematographer with 20+ years experience shooting Documentaries, Commercials, Corporate Films and Reality TV. Based in Brisbane – Australia, but available world-wide for projects large and small. My visual talent and creative skills, have sent me shooting across the country and around the globe, working professionally in over 45 countries.

With a strong training in all areas of Production & Post at one of Australia's leading Post Houses – Cutting Edge, and a Bachelor of Arts (BA) in Journalism from The University of Queensland, combined with a wild imagination, a rock solid work ethic and a passion for pretty pictures, Ian Mac brings a big bag of skills and a well trained eye to each and every shoot.
