JAMES EDWARDS

DIRECTOR / DIRECTOR OF PHOTOGRAPHY / CAMERA OPERATOR / MOVI OPERATOR

ABOUT

A director whose passion for film sees him delivering powerful visual communication via a creative rich and technically proficient style. James is of a new generation of filmmaker with a hunger and eagerness to tell stories. James is always ready to create with anyone and strives to leave nothing but laughter and great memories behind. James has the skills to work proficiently and autonomously in crews. James has excellent problem solving skills and is ready to face any challenge that may arise. He is a hard working, free thinking and passionate filmmaker.

James is skilled as a hand held camera operator with fast yet elegant style. James is an experienced Movi/ Ronin Operator and has worked as a grip assist. James is new to operating on wheels. James is learning steadicam and has been transferring his skills from Movi and Ronin work. James also has a Cinematography membership to the ACS and is commite memeber for the Queensland Branch of the ACS .
