

JOE HELL

CAMERA OPERATOR – FOCUS PULLER

SUMMARY

With over 15 years experience in the film and tv industry, in Australia and overseas, I have worked in hundreds of TVC and numerous series, documentaries as 1st AC/focus puller.

In the past 5 years I have been more focused in camera operating, gimbal specialist (RONIN and MOVI), and underwater operator.

I always provide a can do attitude on set, love solving problems and comfortable working with the major camera brands (RED, ARRI, SONY, CANON, PANASONIC, PHANTOM, GOPROS)
