WORK EXPERIENCE

2019-Present

FOUNDER, MILESTONE FILMS

Milestone Films is a social impact video production company which works with non-profit organisations and government agencies to tell impact driven screen stories across mental health, education, philanthropy and green energies.

Tasks range from creative direction, script writing, DOP work and directing on screen talents.

In collaboration with the client's marketing team, the pre-production duties include making shooting schedules, hiring equipment, hiring crew, booking shooting locations as well as managing filming permits.

Major Clients include:
 Australian Renewable Energy Agency (ARENA)
 Toyota
 The Australian Centre for Social Innovation (TACSI)
 Gaytimes Festival
 Perpetual Private
 Australian Communities Foundation (ACF)

2015-Present
