## **MARK KENFIELD**

A multi-faceted filmmaker, Emmy-nominated Cinematographer and the winner of the Australian Cinematographer Society's Emerging Cinematographer of the Year Award. With his background as a writer, story is the primary driver in Mark's work, and the result is images that capture more than just movement and light. Since graduating from The University of Melbourne's School of Creative Arts, he has shot a broad range of projects both locally and overseas; from narrative features and TV-series, to commercials, documentaries and music videos.

He won the 2020 Silver Cinematography Award from the ACS for his work on the ACTAA-nominated Chinese/Australian comedy series "Girl, Interpreted" for NG Pictures and Screen Australia. And most recently he's had the Arabic perioddrama series "والمناخ" (Souk Al Manakh)" released for Arabic TV Network MBC; provided additional camera operating for Peter Farrelly's upcoming Zac Efron/John Cena comedy "Ricky Stanicky"; and has just wrapped on seven months as the Lighting Cameraman for Academy Award-winning Director Adam Elliot's upcoming stop-motion feature "Memoir of a Snail". He is also a Full Member of the Australian Cinematographers Society.
