

**OLIVIA OLLEY****BIO**

Olivia is a producer for the feature documentary EVERYBODY'S OMA now streaming on Stan. She has over ten years' experience producing advertising and branded content. Her experience ranges from producing TVCs of varying scopes, to short form doco-style stories for not for profits, to production facilitation domestically and internationally. She has recently produced a 6x10min short film scripted series for a government department where over 100 people were employed over a 20-day shoot. Olivia is a collaborative freelance producer, line producer or production manager who enjoys building teams and delivering on a creative vision for clients and their marketing needs.
