## TIM WREYFORD

### PROFILE

My name is Tim, I am a DaVinci Resolve colourist and I love my job! I have a huge passion for colour and beautiful imagery. It's my life and I feel privileged to do what I love. I thrive on the collaborative process and enjoy working as a team. I have colour graded documentaries, episodic TV shows, TV commercials, music videos, short films and online content. I have my own DaVinci Resolve grading suite, I work freelance mainly remotely from my suite but I also enjoy working at post houses across Sydney.
