TREVOR ROBERTSON

Location Sound Recordist

I have worked in the television industry for 25 years, with experience in all formats of production ranging from reality TV to content, commercial and corporate work through to war zones and wildlife documentaries.

I have worked as Head of Sound Department for major productions, but I am equally happy working on smaller shoots with just a camera op and a soundo.

In addition, I have field production experience with 3 show credits to my name.

Below is a list of several productions I've worked on. I have an extensive audio kit and can work with all camera formats:

- Find my Family, CJZ
- Australian Grand Designs, Fremantle
- Dumb Drunk and Raciest, CJZ
- Shitsville Express, CJZ
- Eat yourself sexy, Lifestyle
- Better Homes and Gardens TV, Pac Pups
- So You Think You Can Dance, Freemantle Meadia
