

WARREN KEUNING

Line Producer / 'Fixer' / Locations

PROFILE

I have the experience and skills to research, budget, plan, scout, manage and execute any type or size project. I predict, or solve problems and reduce unnecessary costs. I get the job done, **No errors - No excuses**. My knowledge of production has come from years of hands-on industry experience. My love for my work, dedication to my craft, and travels have helped make hundreds of business, suppliers and crew contacts both in Australia and around the world. I am 100% fluent in Spanish.

EXPERIENCE

PRODUCER/OWNER AUSSIEFIXER PTY. LTD.

SYDNEY, AUSTRALIA — 2014 - PRESENT

I have successfully produced content, documentaries, TVC's, feature films, reality and other formats and projects for various Australian and International networks, brands, advertising agencies and production companies such as: Skydance Media, ABC News Studios, National Geographic, Disney+, CNN, Protoza (Darren Aronofsky), Nutopia UK, Spring Studios UK, LEFT/RIGHT, Qantas, Tourism Australia, Land Rover, AirCanada, Paspaley, Cadbury, Finch Company, The Sweet Shop, Blink, Rattling Stick, Academy Films USA, among many others.

PRODUCER LUSCIOUS INT. SYDNEY, AUSTRALIA — 2011-2014

I successfully pitched, planed and executed many TVC and video content productions in Australia, New Zealand, India, Thailand and South America. I was responsible for the marketing of international directors for the company

PRODUCER/OWNER OF TRIBU INT. BOGOTA, COLOMBIA 2000-2014

Noticing the lack of international facilitation companies offering film services in South America, I founded Tribu Int. We soon positioned the company as the most successful international service company in Colombia. As a result of working throughout South America, I count on a vast network of producers, crew and suppliers in the region.
