GUNAY DEMIRCI

Education History:

- 2005** Year 11 & 12 VCE – Trinity Grammar School, Kew
- 2008 – 08** Bachelor of Science - Monash University
- 2008 – 09** Diploma of Audio Production (Music Industry) – SAE Institute

Audio:

- Professional Sound Recordist and Boom Operator, experience with many location sound recorders/mixers (Sound Devices, Zaxxcom), concealing lavalier microphones and microphone placement.
- Pro user of Pro Tools, Logic, Ableton Live and Cubase.
- Experience using many mixing consoles (Mackie, Allen & Heath, TLA, Neve, Digidesign, Yamaha).
- Competent live music mixer, comfortable handling many channels and foldback sends.
- Mixing/editing/re-recording postproduction audio for film.
- Able to manage and direct crew as a department head.
- Knowledgeable in all aspects of television studio sound recording/mixing.
- A high degree of computer literacy with current Mac and Windows operating systems.

Work Experience: (Full list can be provided upon request)

Outside of my location audio and sound design work I have also run some audio workshops at RMIT and worked as a trainer on a number of student productions in RMIT's Studio A
